**NEED HELP PAYING FOR HEARING AIDS?** Hearing loss among older persons is a serious and growing problem in Wisconsin and the country. There is a program called Workers Compensation. If you suffer from hearing loss, you may be eligible for compensation, including money for hearing aids, if the hearing loss was at least partially caused by your work. If you have a hearing loss that you believe may have been caused by your work, contact Johnson Law Offices at 608-882-6571 or 1-800-400-5765. Johnson Law specializes only in Workers Compensation claims, they do not charge any fee or costs unless they are successful in getting compensation for their clients, then their fee is 20%.

**VOLUNTEER HIGHLIGHT:** Charlotte Hefty is our volunteer of the month. She has been a volunteer here at the Mt. Horeb Senior Center for 3 ½ years. She and her husband, Wilbert were married in 1955. Together they raised six children. After the children were raised, Charlotte started a career as a Caregiver for elderly for 20 years and helped keep many in their own home. It was such a rewarding job, she loved it. After living in the country all those years, Wilbert & Charlotte bought a condo here in Mt. Horeb and recently made the move, their farmette was sold to their Grandson. Charlotte enjoys being around seniors and the social aspects that go with being a volunteer. We are so lucky to have her on our team of volunteers. Thank you Charlotte for everything you do for the Mount Horeb Senior Center!
